A Lifestyle. An Investment. A decadent tropical property of distinction. Designed for those who value Bali and who appreciate the pleasure of ownership while being treated as a guest in a five-star resort. Welcome to LIV Bali.

LIV Bali aims to set the benchmark for managed luxury villa properties by offering off plan, exquisite one, two and three bedroom villas, to those wishing to expand their business portfolio whilst enjoying the many pleasures of Bali – an island voted Best Island Destination by Conde Nast and Travel and Leisure magazines.

With impeccable attention to detail, LIV Bali is certain to be one of Bali's premier destination resorts. Combining the beauty and distinction of Jimbaran Bay with world-class accommodation and an investment opportunity paralleled by none other on the island, LIV Bali is a unique opportunity within Bali's rapidly expanding property market.

Owned by people who have come to cherish Bali and the capital opportunities it offers, LIV Bali constitutes the dream vacation and investment package. We share a commitment to superior quality and service, native relaxation, rejuvenation and leisure, whilst maintaining heartfelt dedication to the preservation of the Balinese culture and support of the local community.
